This training consists of a one-day in-person training followed by about 3 hours of online work.

Current kindergarten teachers who expect to return to their kindergarten positions in the 2014-15 school year should register. Topics covered will include the purpose of the assessment, the structure of the assessment, preparing for administration, using assessment technologies, scoring items, test security, administration for students with disabilities, administration for English Language Learners, reporting assessment results, communicating with families about the assessment, and using assessment results.

Bring a Wi-Fi enabled laptop or full-sized tablet.

***It is *imperative* that your email address in your STARS profile is current as ODE will contact you via email for the required online portion of the training.**
